Paolo Corallini Shihan - 7° Dan Aikikai

Paolo N. Corallini is the President of Takemusu Aikido Association Italy (T.A.A.I.). He started Aikido in April 1969 under the guidance of Motokage Kawamukai Sensei, Hirokazu Kobayashi Sensei and André Nocquet Sensei, who appointed him, in 1981, as President and Technical Director of Unione Italiana Aikido – a division of the Union Européenne d'Aikido in Italy. In the same year Paolo Corallini wrote his first book on Aikido. He followed Nobuyoshi Tamura Sensei in France closely during this period. In 1984, wishing to meet Morihiro Saito Sensei and visit the dojo where the Founder created and defined Aikido, Corallini went to Iwama. This was his first enchanting meeting with Morihiro Saito Sensei. Immediately Paolo Corallini became aware that the training method in Iwama dojo followed the traditional methods of the Founder. Then, from that moment he decided to devotedly follow Morihiro Saito Sensei. Since that time he has been to Japan as uchi deshi (direct, live-in student) 25 times to train with his Sensei. On February 1985 Corallini invited Morihiro Saito Sensei to Italy for the first seminar. This was the first time Saito Sensei was in Central Europe. From that year, Corallini followed Morihiro Saito Sensei everywhere, and invited him to Italy for seminars each year. In 1985 Corallini Sensei created the IWAMA TAKEMUSU AIKI ITALY, an association of dan (black belt) ranked Aikidoka that trained under Saito Sensei faithfully. In 1988 he received 5th dan Takemusu Aikido from Saito Sensei, and also the 5th Buki Waza Mokuroku (weapons rank) as well as the authorization to give Tai-Jutsu (body techniques) and Buki Waza (weapons techniques) dan ranks. He was also appointed by Saito Sensei as direct Representative in Central and Southern Europe. In March 1993 Saito Sensei awarded Paolo Corallini 6th dan and the Shihan title in Iwama. He subsequently received 6th dan Aikikai. Corallini Sensei directs many seminars in Italy and foreign countries such as Germany, Scotland, Switzerland, France, Portugal, Austria, England, Bulgaria, Croatia, Slovenia, Rep. of South Africa, Spain, Denmark, Sweden and Lebanon each year. Morihiro Saito Sensei gave 7th Dan Iwama Ryu to his representatives Paolo Corallini and Ulf Evenäs on May 25th, 2001. In the year 2006 Paolo N. Corallini, together with Ulf Evenäs founded the Takemusu Aikido Kyokai (T.A.K.). On January 9th 2011 Paolo N. Corallini Shihan receives the 7th dan Aikikai directly by Moriteru Ueshiba, Aikido Doshu.

Daniel Toutain - 6° Dan Aikikai

Daniel Toutain began practising Aikido in 1968 with Masamichi Noro Sensei, and remained his student until 1978 (full-time from 1976). Between 1978 and 1982 he trained intensively under Nobuyoshi Tamura Sensei, following almost all of his weekend seminars as well as his regional teacher-seminars. Up until 1982, he successively held the positions of D.T.R (Regional Technical Delegate), at the U.N.A. (National Union of Aikido), and then R.T.N. (National Technical Supervisor) at the F.F.L.A.B. (French Free Federation of Aikido and Budo). He continued to study with Tamura Sensei until 1987.

In April 1993, Daniel Toutain became a student of Morihiro Saito Sensei, 9th Dan Aikikai, in charge of the Dojo of Master Ueshiba in Iwama, as well as the Aiki Jinja (the shrine dedicated to Aikido). Master Saito is recognised throughout the world as the only veritable Aikido weapons specialist and the person who most accurately transmitted the techniques taught by O-Sensei, because he lived at the founder's side for twenty-three years.

To study under Master Saito was a long-awaited dream for Daniel Toutain. From his first contact with this historic master, he was captivated by Master Saito's mastery and knowledge, and equally touched by the great humanity of this teacher. He became deeply attached to him and was profoundly marked when Master Saito passed away in May 2002.

Saito Sensei conferred on him the grade of 6th Dan in March 2002. In addition, Saito Sensei awarded Daniel Toutain the grade of 5th Dan in Aiki Ken and Aiki Jo, which is the highest Iwama grade for Aikido weapons. In all his classes and seminars, Daniel Toutain strictly follows the teaching that he received from Master Saito. He makes every effort to promote Iwama Takemusu Aikido, the name used by Saito Sensei to designate the traditional Aikido of Iwama, and to preserve the Aikido of O-Sensei.

Daniel Toutain is the Chief Instructor of "Fundamental Aikido Association", an International Aikido association whose Headquarters is in Belgium and coordinate more than 70 dojos.

He is regularly holding Seminars in: France, Belgium, England, Scotland, Germany, Spain, Morocco, Portugal, Algeria, Bosnia, Romania, Turkiye, New Zealand, Mexico and Chile.
